# CONDITIONS FOR REPAIR, INSPECTION, MAINTENANCE, MODIFICATION, TEST OR RENTAL SERVICE

1. **WARRANTY PERIOD.** This warranty shall apply only to defects appearing within one year from the date of completion of the service by the Company. As to services performed on instrumentation, communication, X-ray or control devices, the warranty period is 90 days from completion of the service, unless otherwise specified.
2. **Warranty On Repair, Rebuild, Modification.** General Electric Company (herein called the Company) warrants to the Customer that the equipment, material and components and the repair, rebuild or modification services furnished hereunder will be free from defects in material or workmanship and will be of the kind and quality specified in the contract. The conditions of any test of the kind and quality specified upon and the Company shall be notified of, and may be represented at, all tests that may be made. The warranties and remedies shall be mutually agreed upon and the Company shall be notified of, and may be represented at, all tests that may be made. The warranties and remedies set forth herein are conditioned upon (a) proper use, installation, maintenance, and performance of the equipment in accordance with the recommendations of the Company and (b) the Customer promptly notifying the Company of any defects and, if required, promptly making the equipment available for correction. If any equipment, material, component or service fails to meet the foregoing warranties, the Company shall thereupon correct any such failure either, at its option, (i) by replacing any defective equipment, material, component or service; or (ii) by making available to the Customer a plant or other point of shipment of any necessary repaired or replacement parts.
3. **Warranty On Rentals.** With respect to rental service, the Company warrants to the Customer only that rental equipment when delivered is in good operating condition. If the equipment delivered hereunder is not in good operating condition due to no fault of the Customer and the Customer notifies the Company promptly, the Company shall thereupon (at its option) either repair the equipment or supply replacement equipment, subject to availability.
4. **Warranty On Inspection, Test, Calibration, Maintenance, Consultation.** With respect to inspection, testing, calibration, maintenance or consultation services for which the Company is separately compensated, the Company warrants that the services will be performed in accordance with accepted industry practice. If any service fails to meet the foregoing warranty, the Company shall reperform the service to the same extent and on the same conditions as the original service.
5. **Warranty Stated Above is Exclusive.** The preceding paragraphs set forth the exclusive remedies for claims (except as to title) based on failure of or defect in equipment, material, components or services, whether claim is made in contract or tort (including negligence) and however instituted, and, upon the expiration of the warranty period, all such liability shall remain with the Company. Notwithstanding Article 2, "Patents", the foregoing warranties are exclusive and in lieu of all other warranties, whether written, oral, implied or statutory. **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE.** THE COMPANY SHALL NOT BE held liable for any loss or damage whatsoever by reason of its failure to discover, repair, replace or modify latent defects or defects inherent in the design of any equipment. The Company does not warrant any equipment, material, components or services of others which the Customer has designated. Where a failure cannot be corrected by the Company's reasonable efforts, the parties will negotiate on an equitable basis for the payment of a refund or other compensation necessary for the correction of defects shall be performed by the Customer at the Customer's expense. The Company does not warrant any equipment, material, components or services of others which the Customer has designated. Where a failure cannot be corrected by the Company's reasonable efforts, the parties will negotiate on an equitable basis for the payment of a refund or other compensation necessary for the correction of defects shall be performed by the Customer at the Customer's expense.
6. **Waiver Of Warranty Claims.** Any claim that the furnishing of any equipment, material, components or services hereunder is a warranty or other obligation of the Company, in whole or in part, shall be deemed to be waived by the Customer at the time the equipment, material, components or services are ordered. Failure to so notify the Company shall constitute a waiver of any such claim.
7. **PATENTS** The Company may, in the performance of this contract, furnish or install equipment, components, materials and supplies which may be (a) standard commercial products of the Company, (b) purchased from other sources, (c) manufactured by the Company to meet the specific circumstances arising under this contract, and (d) constructed by the Company to the requirements of the Customer's instructions, designs, or specifications. Items in categories (b), (c), and (d), are furnished by the Company in accord with the exigencies and needs of the particular contract and circumstances, and which do not ordinarily admit of investigation of possible risks arising under patents. The Company, therefore, assumes no obligation to the Customer with respect to such risks. As to items in category (a), the Company warrants that products furnished hereunder, and any part thereof, shall be delivered free of any rightful claim of any third party for infringement of any United States patent. If notified in writing of any such claim, the Company shall defend and, if necessary, the Company shall defend or may settle, at its expense, any suit or proceeding against the Customer so far as based on a claimed infringement which would result in a breach of this warranty and the Company shall pay the reasonable costs incurred herein by the Customer in such suit or proceeding. In case any product or part thereof is in such suit held to constitute such an infringement and the use for the purpose intended of said product or part is enjoined, the Company shall, at its expense, either (a) procure for the Customer the right to continue using said product or part, or replace same with a non-infringing product or part, or modify same so it becomes non-infringing or remove the product and refund the purchase price, less reasonable costs incurred by the Customer in such suit or proceeding, or (b) the Company may, at any time, after payment of a reasonable sum, elect to require that the equipment be returned and excuse the Customer from further payments. The foregoing shall not constitute the Company's assumption of liability for patent infringement.
8. **DELIVERY** Delivery dates are approximate, and are based upon prompt receipt of the order and ready access to the site for work to be performed on the equipment, and prompt receipt of all necessary information. In the case of rental service, the equipment shall be delivered to the site of the rental service, and the equipment and materials shall be subject to prior rentals. Unless otherwise specified, the Company's all payments are F.O.B. the Company's plant.
9. **EXCLUSIVE DELAYS** The Company will notify the Customer promptly of any material delay and will make every reasonable effort to deliver as soon as practicable. The Company shall not be liable for any delay in delivery or performance, or for any failure to maintain the equipment or perform service to any cause beyond its reasonable control.

control, or (ii) any act of God, act of the Customer, act of civil or military authority, governmental policy, strike or other labor disturbance, flood, epidemic, war, riot, delay in transportation or car shortage, or (iii) inability on account of any cause beyond the reasonable control of the Company to obtain necessary materials, components, services or facilities. In the event of any such delay, the date of delivery or of performance shall be extended for a period equal to the time lost by reason of the cause.

## 5. PAYMENTS AND FINANCIAL CONDITION

Unless otherwise specified by the Company in its quotation, pro rata payments shall become due without setoff as shipments are made or as work is completed at the Customer's premises. If the Company consents to delay shipment or other completion of any part of the work, the Company shall, on the date when the Company is prepared to make shipment. If the work to be performed hereunder is delayed by the Customer, payment shall be made based on the purchase price and the percentage of completion of the equipment held for the Customer shall be the basis for the payment of the balance of the purchase price.

Any order for services by the Customer shall constitute a representation that the Customer is solvent. In addition, upon the Company's request, the Customer will furnish a written representation concerning its solvency at any time prior to shipment.

If the financial condition of the Customer at any time does not, in the judgment of the Company, justify continuance of the work to be performed by the Company hereunder, the terms of payment agreed upon, the Company may require full or partial payment in advance. In the event of bankruptcy or insolvency of the Customer or in the event any proceeding is brought against the Customer, voluntarily or involuntarily, under the bankruptcy or any insolvency laws, the Company shall be entitled to cancel any order then outstanding at any time during the period allowed for filing claims against the estate and shall receive reimbursement for the cost of the work performed to date.

The Company, at its option, may retain possession of equipment repaired, modified, inspected, tested or maintained or serviced under this contract until its charges for such services are paid.

Following completion of the work and invoicing the Customer, the Company may, upon not less than 7 days written notice by certified mail to the Customer at the Customer's last known address, sell the equipment of public or private sale and apply the net proceeds to the Company's charges.

## 6. TITLE

All scrap resulting from the work shall be the property of the Company, and title to all rental equipment shall remain with the Company. The title and right of ownership of the equipment shall remain with the Company. The Company shall retain possession of equipment repaired, modified, inspected, tested or maintained or serviced under this contract until its charges for such services are paid. The Company shall retain title to any equipment in its possession or control until the full amount of the charges for such services is paid. The Company shall retain title to any equipment in its possession or control until the full amount of the charges for such services is paid.

## 7. TAXES

In addition to any price specified herein, the Customer shall pay the gross amount of any present or future sales, use, excise, value-added, or other similar tax applicable to the price, sale or delivery of any product or service furnished hereunder or to its use by the Company or the Customer, or the Customer shall furnish the Company with a tax-exemption certificate acceptable to the taxing authorities.

## 8. LIMITATIONS OF LIABILITY AND INDEMNITIES

(a) Unless otherwise agreed in writing by a duly authorized representative of the Company, equipment repaired, inspected, tested or maintained, or serviced under this contract, shall be furnished in connection with any nuclear facility or activity. If so used and any nuclear damage, injury or contamination occurs, the Company disclaims all responsibility of every kind, and the Customer shall indemnify the Company from any and all liability for any such damage or contamination whatsoever arising out of any such use, including the Company's negligence.

(b) In no event, whether as a result of breach of contract, warranty or tort (including negligence), shall the Company or its suppliers be liable for any consequential or incidental damages including, but not limited to, loss of profit or revenues, loss of use of equipment furnished or serviced by the Company or any consequential equipment, damage to associated equipment, cost of capital cost or substitute products, facilities, service or replacement power, down time costs, or claims of the Customer's customer for such damages. If the Customer transfers use of or leases the products sold or serviced hereunder to any third party, the Customer shall obtain from such third party a provision affording the Company and its suppliers the protection of the preceding sentence.

(c) Except as provided in the preceding sentence, the Company's liability (a) in any claim of any kind (including negligence) for any loss or damage arising out of, or resulting from this agreement, or from the performance or breach thereof, or from the products or services furnished hereunder, shall not in any case exceed the purchase price of the product or service which gives rise to any third party liability shall terminate upon the expiration of the warranty period specified in Article 1, "Warranty".

(d) The furnishing of any device or other assistance without separate compensation therefor will not subject the Company to any liability, either in contract, warranty, tort (including negligence) or otherwise.

(e) Each of the foregoing paragraphs (a) through (d) shall apply to the full extent of the law. The invalidity in whole or in part, of any paragraph will not affect the remainder of such paragraph or any other paragraph.

## 9. GENERAL

Any services furnished by the Company hereunder will be performed in compliance with the Federal Labor Standards Act of 1938, as amended and applicable laws. The Company will comply with applicable Federal, state and local laws and regulations as of the date of any quotation which relate to (i) equal employment opportunity including the seven paragraphs appearing in Sec. 802 of Executive Order 11246, as amended; (ii) workers' compensation; and (iii) the performance in the Company's facilities of the services furnished hereunder. Price and, if necessary, delivery will be equitably adjusted to compensate the Company for the cost of compliance with applicable laws and regulations.

The delegation or assignment by the Customer of any or all of its duties or rights hereunder without the Company's prior written consent shall be void. Any representation, promise, course of dealing or trade usage not stated in or referred to herein will not be binding on the Company. No modification, amendment, rescission, waiver or other change shall be binding on the Company unless assented to in writing by the Company's authorized representative. The validity, enforceability and effect of all matters in this contract shall be governed by the law of New York.
